Low Cost Home Is Commission Topic

N. B. Willis, Belle Glade contractor, appealed to the city council Wednesday night to revoke a permit for the construction of a home on property owned by John Ellison at 1501 NW Ave. E. by claiming that the building does not conform with existing zoning ordinances.

Willis told the council that the property development would lower the valuation on other property nearby and adjoining. Willis represented other property owners, some of whom were present, who stated that the appearance of the home, not the floor space, which conforms with building requirements, would hurt current and prospective development of the area on NW Ave. E.

Willis pointed out that the building was in an area of 17 frame and asbestos houses, not CBS houses and one church. The wood frame and wood shingle house was the only one of its kind.

The council failed on a decision and sought the advice of W. R. Hooker who stated, "The construction of buildings of this type would have a tendency to lower value of adjacent property."

On motion by Commissioner Livingston the council decided that construction on the home would cease while the city made their own survey of the conditions for a decision at the June 13 meeting.

Mrs. Ellison told the group that if someone bought the property and paid for the piling already driven, she would sell out.

In other action the council learned that the recreation bonds were in the process of being validated when City Attorney Claude Jones entered the valid petition for circuit Court May 23. A hearing has been set for July 5.

The council authorized the attorney to defend the city in the state supreme court action of Cook vs. this city.

The council also extended condemnation proceedings one year on property of J. T. Houston and N. C. Jones.

Heard that Jess Russell of Russell and Axon and E. C. Ridge of B. J. Van Ingen & Co. would confer May 29 in Daytona Beach on the mapping of the improvement referendum measure which will be ready for vote in two or three months.

Accepted by resolution order of the city after the hearing they were duly recorded.

Passed on first readings ordinances dealing with water main distributing systems, pipe sizes and specifications; ordinances pertaining to unauthorized persons and minors driving motor vehicles.

Accepted without change the proposed plan for the National Guard armory.

Adlai 'Keeps Good Company'

Douglas Carlton heads the Stephenson group asking support of the voters Tuesday, as delegates to the Democratic Convention.

Ex-Governor Millard Caldwell, Congressman Dante Fascelle, W. Turner Davis, Bill Lantaff, Mrs. Elgin Baylis are among other delegates throughout the state always identified with Florida's best interests.

Our own Congressional delegates are George Slaton and Mrs. Virginia Gamble.

We know of no better group to follow than those on this list, especially if you see debating Adlai and Estes' potentials.

A return to home rule is a basic principle of this group.

Summer Softball League Planned

A summer recreation program in the form of a six-team softball league is in the planning stages this week according to Benny Richmond, a member of the committee to form the league.

Richmond expressed hope that enough men will enroll to form the six teams. "Anyone is eligible from 16 to 60," he said.

The tentative starting date is June 19. Richmond said the program of summer-time softball had proved successful in the past three years and he urged continued support of the games.

3 Youths Sought For Robbery Here

Police in a 12 state area are searching for three young boys who are believed to have broken into Graber and Sons packing house late Wednesday night.

Police Chief Charles Goodlett said the white boys, aged 20, 16 and 13, were probably involved in the entering of the building and ransacking of the office. Goodlett said that an undetermined amount of money was taken, three vending machines were wrecked and a set of three letters of recommendation for the boys was taken.

Goodlett said an informer told him and Graber employees of how the theft was broken before leaving here. They are believed to be on route to Michigan.

The Chief also said there was no sign of forced entry found, but ruled out the possibility of one of the youths having a key.

"They probably entered through a window or an unlocked door," he said.

The 20 year old youth faces one to five year jail term (Continued on page Four)

VFW Buddy Poppy Day Is May 26th

Veterans of Foreign Wars Post 8181 and auxiliary held a joint meeting and pot luck supper at the American Legion hall here Tuesday night. Principal topic of the joint meeting held after the supper was Buddy Poppy Day, May 26.

Mrs. Evelyn Rhymes, chairman, and auxiliary and pot members will be in charge of Buddy Poppy Day sales.

Proceeds from the buddy poppy support veterans and orphanage institutions in this state and the nation. The proceeds will be placed in jobs after the auxiliary will be held June 4th at the Legion hall.

Youth Employment Program Studied

The local Florida State Employment Service and at least two civic organizations will hold after the summer employment program in this city according to Lee L. Smith, manager.

Smith said that numerous employers and businessmen here have voiced complaints at various times that trained and otherwise qualified persons are not available.

Under the proposed plan students will be placed in jobs during the summer months, when they drop out of school or when they are graduated.

Smith went on to say that a project of the employment service is a youth training program. School officials will be contacted in an effort to arrange Diversified Co-operative Training for Belle Glade High School whereby students study part-time and work part-time in preparation for learning a trade.

The next business meeting of the auxiliary will be held June 4th at the Legion hall.

Fire In Negro Section Razes Apartment House

A fire of undetermined origin destroyed two buildings and damaged the Ace Theater on SW 5th St. Wednesday when firemen fought the blaze for about three hours.

American Red Cross officials began interviewing the displaced families early Thursday. At least 20 families and individuals were given minimum necessities of clothing and cooking equipment.

In charge of the interviewing were Mrs. Eugene Hartley and Mrs. Helen Almone of the West Palm Beach ARC office.

The interviews were concluded Thursday afternoon.

The biggest loss was at 522 Ave. B. Place where a 36 room apartment, property of Ada Shuler, was ruined. A smaller 8 room apartment was seriously damaged by heat and water when a CBS structure at 524 SW Ave B Place was damaged by heat and smoke.

The Ace Theater back wall was beyond repair and the southwest wing, screen and stage received fire damage and one big fan was ruined.

A smaller office building behind the Shuler apartments escaped damage.

Chief E. Will said that the new truck and equipment were used to good advantage.

Over \$400,000 worth of fruit is yet to be harvested in northern Palm Beach County and the lower part of Martin County which can't move.

Tomatoes, peppers, cucumbers and eggplant to a limited degree can't be moved until certification has been made by USDA inspectors at shipping points.

While corn, celery, squash and beans are apparently not affected by the medfly, these commodities cannot move until they have been fumigated. Specialized fumigation equipment was being shipped in.

The embargo should last no (Continued on page Four)

Medfly Larvae Are Found In Glades

Palm Beach county has been included in the Mediterranean fruit fly quarantined area as of Tuesday when it was determined that larvae of the medfly had been found in the Everglades Experiment Station.

Dr. Emil Wolf, of the station staff, found larvae in a grapefruit and Dr. W. G. Genung and E. D. Harris, entomologists, took samples to Miami where it was determined that they were medfly larvae.

Under the joint program of the State Plant Board and USDA roadblocks were established at Clewiston, Ft. Mayaca and Jupiter. Assistant County Agent H. L. Speer told The Herald Thursday that his office would be headquarters for the Glades operation of inspection and certification of vegetable and citrus leaving the

Fund Raising Drive For GS Is Underway

R. J. Allen, vice president of the Palm Glades Girl Scout Council and chairman of the local fund-raising committee announced the drive to raise Belle Glade's share of the current year's operation budget of the Palm Glades Club has been underway since Monday and will continue through June 11. The goal for Belle Glade is \$1,000.

The drive will be carried out in the form of personal solicitation which has been approved by the Chamber of Commerce. Anyone wishing to donate is asked to call WY 6-3223 and a representative will call.

Marian Najarian Wins Lion Award

Miss Marian Najarian was presented with a plaque May 18 by the local Lions Club naming her recipient of the Lion's annual achievement award for community service. The award was made during the annual ladies' night meeting at the Belle Glade Country Club.

Miss Najarian, music director at Belle Glade High School and honorary member of the Lions Club won the award after a secret ballot among club members. E. M. Lively made the presentation.

The bronze-on-wood plaque states "presented by the Lions Club of Belle Glade to Marian Najarian for community service."

The award is presented annually to one Lion who has done the most for Lionism in this city.

Miss Najarian, daughter of Mr. and Mrs. Jacob Najarian, Port Orange, Fla., is in her sixth year as music director at the high school. She is pianist for the Lions and has played and sung for nearly every civic, social and church organization in this city.

Another high light of the annual ladies' night was the hill-billy motif carried through the program with individual prizes given to Jim Wierenga and Mrs. Junius Harris for the best costume. W. L. Cunningham was in charge of the program of singing and comedy skits.

Local CAP Cadet Wins Trip Abroad

2nd Lt. Leo James, high school senior and Cadet Commanding Officer of the 1st Civil Air Patrol Squadron has attained one of the highest honors in the Civil Air Patrol. He was selected as one of the top cadets from the state to participate in the International Cadet Exchange Program.

The International Cadet Exchange is a program in which cadets from this country are exchanged for cadets from other countries to live for a period of time in the foreign country.

Leo's trip is to Great Britain, one of the outstanding countries participating. This is how the program works. Each squadron may choose one cadet who has been in the squadron at least eighteen months. Upon receiving this nomination, the cadet then gets three letters of recommendation, a complete medical record, record of service to CAP, and a short history of his life. These papers are then sent to wing headquarters and are eliminated. There, then, the cadets not eliminated attend a formal dinner.

week-long observance of the 15th Anniversary of "The Baptist Hour" on the air.

Starting with 17 stations in 11 states in its initial broadcast in 1941, "The Baptist Hour" has grown to 384 radio stations reaching over 20 million people in 34 states, District of Columbia, Hawaii, Canal Zone, Puerto Rico and the Philippines.

A particular feature of "Baptist Hour Sunday," May 27th, will be the playing of a special-produced 35-minute Anniversary Record at nearly identical evening services in over 100 churches of the Southern Baptist Convention, Stevens pointed out. Entitled "The Baptist Hour Through a Dramatic Era in World Events," the record contains actual excerpts from important speeches by world leaders such as Churchill, Franklin Roosevelt, Truman and Eisenhower coupled with outstanding sermon excerpts from the 1941-1956 period of the program.

"The Baptist Hour" is heard locally as a public service on WSWN at 1:30 P. M. on Sunday.

CHURCHES OF CHRIST.

Man's God-given ability to cope effectively with the false prophecies of evil will be set forth in Christian Science services Sunday.

Nehemiah's monumental achievement in rebuilding the wall of Jerusalem in the face of false prophecies, and other biblical accounts will be featured in the Scriptural selections to be read in the Lesson-Sermon entitled "Ancient and Modern Accurancy, Alas! Men's Mind and Hypnotism, Denounced."

The following passage will be among those read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Rise in the strength of the Spirit to resist all that is unlike good. God has made man capable of this, and nothing can vitiate his ability and power divinely bestowed on man."

Fr. Petrie To Deliver Baccalaureate Sermon

Preaching the baccalaureate sermon for the Clewiston High School graduation exercises will be the Rev. John Clarence Petrie, vicar of St. John the Apostle Episcopal Church, Belle Glade and St. Martin's Church, Clewiston.

The service will be held next Sunday, May 27 at 8 a.m. in the Clewiston Baptist Church. Father Petrie will be assisted in the conduction of the service by the pastors of the several churches of Clewiston.

Jewish SS Members Visit Museum Sunday

Last Sunday members of the Sunday School went to the Jewish Museum in Miami Beach. There, many interesting items of religious meaning were on display. Many of the items dated way back and there was one glass window from the Medieval days.

The group was shown religious articles that were made in all parts of the world and each was typically identified, by its design, as being from a particular country. It very dramatically showed the assimilation of the Jew into the country which he lives.

The American Jew had a cup shaped like an Easter egg. The African Jew had a cup in the form of woven metal with jewels around it; the Jew from Turkey had a cup in the form of a drinking goblet. We saw

hand woven are covers that were over 200 years old and certainly was a most enjoyable and educational trip.

The winners of the Sunday School contest will be announced at class next Sunday.

Three Outstanding Seniors Recognized At Baptist Service

The church recognized three of its outstanding high school young people in the service Sunday morning. Miss Janice Cole was selected as Valedictorian of the Senior Class. Leo James was selected to go to Europe through the Civil Air Patrol International Cadet Exchange. Leonard Higbee was selected to represent Palm Beach at the Junior Cross camp in North Carolina this summer.

Mr. and Mrs. U. W. Malcolm yesterday to attend the Southern Baptist Convention in Kansas City, Missouri. Following the Convention Mr. and Mrs. Malcolm will vacation in the Dakotas and visit their sons in the early part of July.

The Carol Choir will go to the Pahokee Swimming Pool Saturday for a swimming party. About 15 members of the choir group will go and take a picnic lunch. Mrs. W. H. Cox, Chicken, green beans, potato salad, rolls, tea or coffee. Donations \$1.25. For reservations or delivery including Sunday, call WY 6-2932. There will also be a pie sale.

Choice Assignments Open In U. S. Army

Local young men who desire to take advantage of the U. S. Army's direct enlistment for choice assignment openings are advised to contact Sgt. F. W. Pryor, U. S. Army Recruiter.

THE WORLD'S MOST WIDELY USED DEVOTIONAL GUIDE

Read 1 Corinthians 16:1-13.

Behold, I have set before thee an open door, and no man can shut it. (Revelation 3:8)

Every day many enter through the open doorway of medicine, and thousands of lives are saved. Scientists push through the open door of scientific discovery and announce unnumbered wonders to the world. Almost hourly the open door of industry new types of airplanes, new trains, new automobiles, new everything, antonish us.

But there is one door man hesitates to open as widely as it should be opened. This is the door of peace and understanding among nations. Above all else, God wants mankind to pass through this open door and enter upon the pathway to peace. No one can shut this door that He has opened. The great leaders and wise followers are those who are doing all they can to help others enter into life abundant. This can be done through the door God has opened long since in the person of Christ Jesus, our Lord.

PRAYER

O Father, we thank Thee for all the doors that in Thy love and wisdom Thou hast opened for us. We thank Thee especially for the door of peace. Grant to us wisdom and courage to do our part in practicing brotherhood and seeking peace. In the name of the Father of Peace, Amen.

THOUGHT FOR THE DAY

"Let us therefore follow after the things which make for peace."

Chaplin D. Foster, Historian (Washington)

Local WSCS Officers Attend Training Day

Twenty-three members of the WSCS attended district officers Training day last Thursday at the Northwest Methodist Church in West Palm Beach. A skit was presented which was written by Mrs. Clara Cotton, wife of the superintendent of Florida Conference of Methodist Church.

The skit, "This Is My Task," was presented with the following local members taking part, Mrs. H. Edward Garrett, Mrs. Larry Royal, Mrs. Kenneth Richmond, Mrs. Russell Tucker and Mrs. V. C. Creech, Jr.

The same group also presented the skit last Friday at the First Methodist Church in Ft. Pierce.

Church Of God To Sponsor Supper

The Ladies Willing Worker Band of the Church of God are sponsoring a chicken supper Saturday night, May 26. Serving will begin at 4:30 p.m. and continue through 9:00 p.m. The menu will include 1/4 fried chicken, green beans, potato salad, rolls, tea or coffee. Donations \$1.25. For reservations or delivery including Sunday, call WY 6-2932. There will also be a pie sale.

Local Labor Stop Praised By FSES

The importance of the local Employment Service's farm labor station at 20 Mile Bend was recognized this week by the state office in a letter to Lee L. Smith, local FSES manager.

The letter from the office of William Norwood, Jr., director of the Florida State Employment Service, was signed by Ralph Moss, Chief of Farm Placement Day-Haul Program.

Almost 800 workers will be employed during the day-haul movement of workers from the east coast to the Belle Glade area have been forwarded to the Bureau of Employment Security for their information and inclusion in the next issue of the Farm Placement Ideas Exchange, an organ of the Farm Placement

Lake Harbor Baptist Homecoming Sun.

Sunday, May 27 will be observed as Annual Homecoming Day at the First Baptist Church of Pahokee.

At the morning service, the roll of members will be called, and the church covenant will be read in renewed pledge.

Former pastors of the church are invited to attend and participate in the program. All members, former members and visitors are invited to bring a message to the church.

Division of USES. Mess said, "The Belle Glade office is to be congratulated upon the initiation of this development which should result in a better distribution and utilization of workers."

Smith stated that the office was attempting to start the migration of crews from the Imokalee and Devil's Garden areas on a day-haul basis with possible connections with Ft. Myers.

A labor station will be in operation at Clewiston next fall, and the operation of the 20 Mile Bend stop will cease this fall. Smith said local labor was sufficient to handle the remaining weeks of harvest here and crews were being cleared now for northerly movement.

Almost 800 workers will be available here, Smith said. Corn and celery will last well into June.

Conference Bill Amends Sugar Act

Congressman Paul G. Rogers expressed gratification today in the passage by the House of the conference bill to amend the Sugar Act.

The Senate passed legislation in the passage through the House during the last session of Congress, and assisted in its passage through the House during this session.

The Senate passed legislation differing slightly from the House bill, and the legislation went to a conference committee for the differences to be resolved.

trade, profession or skill. Frank O. Hobson, high school principal, stated during a recent PTA forum that the DCT program had been under consideration in the past few months.

In April Mrs. Sybil Griffin, chief labor consultant with the Florida Industrial Commission, addressed the Business and Professional Women's Club here where she discussed what could be done with a youth employment program in this community.

On Wednesday Mrs. Imogene Fontaine, local employment service interviewer, addressed the Lions Club in the initial move to distribute a form letter among merchants seeking job orders for teenagers either after school or during summer months.

The letter will have general distribution among clubs here. The matter is expected to reach the agenda of the BPWC sometime soon.

BOYS AND GIRLS IN THE SERVICE

LeRoy Starling, son of Mrs. L. H. Starling who operates the Bridge Cafe here, has been accepted for enlistment in the paratroopers, according to Sgt. F. J. Pryor, local U. S. Army Recruiter.

LeRoy will enlist in Miami May 29, following his 17th birthday on May 27.

Fort Eustis, Va. — Army Pvt. John T. Roddenberry, 19, son of Mrs. Mary G. Rimes, Vero Beach, Fla., recently was graduated from The Transportation School's stevedoring course at Fort Eustis, Va.

Roddenberry was trained to load and unload cargo and to maintain freight records. He entered the Army in December 1955 and was last stationed at Fort Jackson, S. C., where he completed basic training.

He attended Vero Beach High School. Roddenberry's father, George S. Roddenberry, lives in Belle Glade.

C. Mills, Clewiston, Fla., recently was graduated from the Army's Antiaircraft Artillery and Guided Missile School at Fort Bliss, Tex.

He completed the antiaircraft artillery officers basic course. The 12-week course included training with the radar-controlled Skyweeper gun.

Lieutenant Mills entered the Army in August 1955. He was graduated from The Citadel in 1955.

I Corps, Korea — Army Cpl. Oswald G. Ryals, son of Mrs. Lola N. Ryals, Pahokee, Fla., recently was graduated from the I Corps Non-Commissioned Officer Academy's supply specialist course in Korea.

Assigned to the 11th Engineer Battalion's Company B, Corporal Ryals entered the Army in April 1954. He completed basic training at Fort Leonard Wood, Mo., and arrived in the Far East in October 1955. The corporal is a 1953 graduate of Pahokee High School.

Fort Knox, Ky. — Pvt. John Lockett, whose wife, Ellamay, lives in Gifford, Fla., is scheduled to leave the U. S. for Germany next month as part of Operation Gyroscope, the Army's unit rotation plan.

Lockett's unit, the 3d Armored Division, now stationed at Fort Knox, Ky., will replace the 4th Infantry Division in Europe.

Lockett, son of Mrs. H. Lockett, Belle Glade, is a fireman in Company A of the division's 29th Infantry Battalion. He en-

tered the Army in August 1955 and received basic training at Fort Knox.

County Attorney Gives Decision On Property Valuation Dispute

The Palm Beach County Commission this week learned that it is without authority to change property valuations as set by the county tax assessor except to equalize valuations on specific pieces of property.

This was the opinion given by County Attorney Harry Johnston by the board to define the commission's authority and responsibility in connection with county property valuations.

The issue was brought to the commission's attention by Tully Scott, West Palm Beach attorney, who charged that present tax assessments were not equitable throughout the county.

Johnston said state law provides that all lands shall be assessed a full cash value — an amount which is reached by good, fair and sound judgment so that equality will prevail at all times.

Johnston said he had sent

copies of his opinion, both to Scott and Tax Assessor James Owens, Jr., and had extended an invitation to both parties to meet with the commission at any time, to discuss the issue.

C. Cowell and Coach Carl Johnson, West third baseman is a graduate of Belle Glade High School and was outstanding as an athlete. He is the son of Mr. and Mrs. J. W.

Mosley of Chosen. The Hatters largely a sophomore and freshman team, won 8 and lost 15 for the season. Six of the games were lost by a margin of one run.

AWARDED LETTER — West Mosley, freshman, was among the fifteen members of the Stetson Hatter baseball squad to receive letters according to athletic director Warren.

IVAN AND GEORGE VAN HORN "walk away with the money" at the annual show staged by the Dade County Chapter of the American Hibiscus Society last Sunday when they received both the Tricolor (outstanding specimen of the show) and Sweepstakes (greatest aggregation of blue ribbon winners). Mrs. Henry W. McMillan is shown placing the Tricolor on Mrs. Van Horn, while Ivan is holding the Sweepstakes badge. Both Mr. and Mrs. Van Horn and Mrs. Luther Jones were official judges in the show in departments other than those in which entries were made by the local gardeners. An entry by Mrs. Jones also received a ribbon, so that local entries were "in the money" across the board.

Garold McKee served the three-tier wedding cake and Mrs. George Wedgworth was in charge of the guest book.

The guest list included out-of-town guests: Mrs. Mamie Fuller, Miami, Mrs. Florence Green, Rochester, N. Y., Mr. and Mrs. Clarence Rawls, Mr. and Mrs. Robert Allen, Mrs. Lida Allen, of Hollywood, Mr. and Mrs. J. A. Collins, Miami, Bill Carlyle, Auburndale.

THESE ATTRACTIVE YOUNG LADY EMPLOYEES of Southern Bell Telephone Company were hostesses at Open House in Belle Glade last week. They are, left to right, Mrs. K. Llewellyn, Mrs. Mary Walker, Mrs. L. Miller, Mrs. E. V. Betner, Mrs. Charles Shultz, Mrs. June Corbin, Mrs. J. Allen, Mrs. L. Pope, and Miss Imogene Crews, Chief Operator.

Plant Tour Draws Good Crowd Here

Four hundred-eighty-six people visited the local telephone company plant here May 16-18 during the Southern Bell Telephone Company's open house.

Wednesday night was family night for employees and their families. Thursday afternoon 80 Belle Glade High School students visited the plant and Friday afternoon 141 Lakeshore High School students made the tour.

Among the displays was a solar battery, the first of its type in the Glades, which stores electrical energy from the sun's rays. This type of energy is being used to power a rural line in Valdosta, Ga., for the past four months, according to E. F. Reddy, district manager for Southern Bell.

Other displays included a tic-tac-toe machine where a player plays against electronic equipment. The machine could be tied but not beaten. There was a voice mirror which records and plays back a voice, glasses with a hearing aid attachment built into the frame of the glasses, a speaker phone, automatic answering device and a mobile radio telephone display.

The entertaining and informative tours featured hot dogs, coffee, Cokes and donuts served by Mrs. Lonnie Warren and her committee.

LOCAL CAP CADET

(Continued from Page One) ner with top CAP and Air Force personnel. These men and women judge the cadets on their conversational ability, their knowledge of CAP, their social graces and many other factors. Finally, a few names from this group are sent on to National Headquarters in Washington, where the final elimination is held.

Glades Squadron is very proud of their CO, because they know that effort has paid off for them.

Cadet Sgt. Jeanne Willis, also a senior, was chosen as alternant for the girl's phase of the exchange program. In the event that another girl can't make the trip to Hawaii, Jeanne will replace her, which is also quite an honor.

The local cadet squadron was organized in October of 1954, with charter members: Leo James, Frances Sloan, Jeanne Willis, Jerry Edwards, Richard Sands, Dorothy Irvin, Donald Tanner, and Jean Rives, and B. E. Weeks as Commanding Officer. These cadets along with others who have come in, have worked hard building up their squadron, and are now enjoying the rewards of their efforts, for they have taken many honors that several other squadrons have never had. They have participated in many activities and operations and made many interesting trips. Last summer four of them were selected to go to Summer Encampment and this year everyone in the squadron who wishes to attend will be privileged to do so. Each of

the original members will agree that Civil Air Patrol has made them into better American citizens, with a deep set loyalty to their country, as well as teaching them many individual lessons.

This past week end the squadron held a bivouac in Big Cypress. There were ten cadets attending along with Capt. Benny Weeks, and female chaplaine, Mrs. Ruth Irvin. Cadets attending were: Lt. Leo James, M/Sgt. Jeanne Willis, Sgt. Frances Sloan, Cpl. Jean Rives, Cpl. Donald Tanner, Pvt. Randy Way, 1st Lt. Joe Ricki, Recruit Barbara McClure, Recruit LeLand Reynolds and Pvt. John Lee.

Saturday, May 26 and Sunday, May 27, is "Lindsey Day," in commemoration of the day Lindbergh flew to Paris. The Civil Air Patrol, in cooperation with the Air Force is going to try to get every flyable plane in the country off the ground on "Lindsey Day" — if even for a few minutes.

If you have a current pilot's license or a plane, won't you help the CAP to accomplish this mission? The cadet squadron is in dire need of adults to help them carry out their activities. They urge you to investigate this most Democratic organization and see if you don't think you could do for your services to this fine group of youngsters.

Heap Big Pow-Wow But No Injuns!

Free movies, free prizes and an evening of entertainment and excitement are in store for every member of the family at the fabulous Power Pow-Wow next Thursday night, May 31.

Earl Hendry, manager of Ford Tractor Company here extends a special invitation to every member of every family to attend the big event to learn the exciting new power story on Ford tractor equipment. The kids can attend the free movies while Dad hears the story of Ford's tricycle and four-

wheel tractors.

Prizes to please every member of the family are to be given away. Among the array of prizes is an automatic shotgun, which retails for \$150, a picnic ice chest, outdoor barbecue grill and Scotch cooler. A lucky lady will win a Sunbeam deep fryer and one lucky youngster will drive away the \$35 Ford tractor.

A huge eight-million candle power Army searchlight will be installed on the New Pahokee Road (SR 715) and start flashing just at dark to direct guests to the five-acre grounds on Ave. A and 16th St.

The whole family can enjoy refreshments and entertainment with no charge for anything. You must be present and registered to be eligible for prizes. Just follow the light to the big POWER POW-WOW!

Some Reclassification Promised Under Recent Selective Service Law

Mrs. F. W. Quinn, clerk of Selective Service local board 148 announced this week that all registrants who are classified 1C (Reserve or Discharge) are subject to reclassification since that division has been discontinued.

Mrs. Quinn also reminded those boys reaching 18 years of age that they have five days following their birthday to register for Selective Service. The classifications 1C (Reserve or Discharge) has been discontinued by the Selective Service System. These registrants will be reclassified by local 148 after their file has been reviewed on the basis of current regulations.

Local board 148 covers the western half of Palm Beach County and all those required to register on their 18th birthday may do so at the Belle Glade office, 365 S. Main St.

Selective Service board members here are Luther Jones, board chairman, George M. Mead, secretary; and Frank M. Morris.

City Team Wins Third Straight

The Belle Glade Ramblers won their third straight game of the Coast-Glades League season with a 3-1 victory over Vero Beach last Sunday.

Belle Glade scored their first run when Bobby Jones led off with a base on balls and moved to third on two fielders choices then scored on a wild pitch by Vero's big lefthander, Stan Stocker in the third inning.

Vero scored their only run in the game in the fifth and Belle Glade scored two more in the 7th.

Sam Crissman will be on the mound Sunday when Belle Glade plays Melbourne here at Memorial Field at 3 p. m. Belle Glade Ramblers should report at 1 p. m.

New 'Tourist' Mail Box

A special mail box has been placed at the corner of Ave. A and Main St. near the Chamber of Commerce this week as a special service to the many tourists who wish to mail cards and letters after visiting the Chamber office.

The move to place the box on the corner was spearheaded by the Chamber directors during a meeting a few months ago. George F. Farnall, postmaster, stated that the box was ready for service.

BG Lions Hear Youth Program Plans May 22

The Belle Glade Lions Club met Wednesday for their weekly luncheon and heard Mrs. Imogene Fontaine, employment service interviewer, speak about a proposed youth employment program to be inaugurated this summer here.

She spoke of the number of college and high school students waiting summer employment and described the work of the employment service in locating suitable personnel to fill job vacancies.

She stated that when job opportunities are not available in Belle Glade, workers leave town thus creating a loss to the community. By creating job opportunities here, she said, a student can build his future.

William Rhodes and Robert Golden were appointed to a committee to work with the employment service toward the youth program.

Band Parents Vote For New Uniforms

Belle Glade Band Parents voted to purchase new band uniforms for the entire High School Band at a call meeting held Tuesday night at the band room.

The uniform committee composed of Mrs. Douglas Matthews and Mrs. J. R. Faulk gave a full report on the cost of the uniforms, and after much discussion it was agreed to outfit the whole band instead of replacing part of uniforms.

The group also voted to have a beach party for the band in place of the annual banquet, to be held before school is out.

William Gieckler retiring president turned the meeting over to the incoming president, Mr. A. B. Mathis of Lake Harbor, who appointed committee chairman for the coming year.

Chairmen appointed were: Finance and Budget, F. C. Schoenfeld, and Russell Tucker; Refreshments and entertainment, Mrs. Douglas Thompson; program sales, Dr. Thomas Forster; co-chairman, William Gieckler and Mrs. Erol Mixson; publicity, Mrs. Kathleen Livingston; Mrs. Russell Tucker; uniforms, Mrs. H. State Savings & Loan Assns. Show Increase

A \$24,910,135 net increase in savings account balances during

April was reported by Florida's savings and loan associations. At the close of April savings accounts in all of Florida's savings and loan associations totaled \$1,272,138,400, an increase of

8% for the first four months of 1956. For the month of April these institutions loaned \$13,961,509 to finance the purchase, construction or improvement of 4,454 homes, 43.4% of the total was loaned to finance the construction of homes. The April home financing total was 19% below April a year ago. For the first four months of 1956 home financing extended by savings and loan associations totaled \$128,803,100. This was \$11,523,300 or 8.2% below their total lending volume for the same period in 1955.

SCHOOL NEWS

By Frances Sloan

The Belle Glade High School Glee Club has made a number of appearances during the last few days, under the direction of their leader, Miss Marian Najarian.

Their formal Spring Concert was given Thursday night, May 17, in the high school auditorium. There was an enthusiastic capacity audience, and the club was able to make enough money to pay for their awards, from this performance. All G. C. members are grateful to every one who cooperated in making this possible.

The concert was one of the hardest things ever attempted by the mixed chorus, but was very attractive and colorful, with the girls in pastel formal and the boys in evening dress. There was a variety of numbers including specialties by the male quartet, the girls trio, and the girls chorus.

Outstanding features were: "This Is My Country," a Waring arrangement, sung by the mixed chorus; "Climbin' Up The Mountain," written by Krone and sung by the male quartet; "Bushman and a Peck," a Waring arrangement sung by the girls

trio; "Blue Moon," by Hart, sung by the trio, and the girls chorus; "The Day Carol," an English Folk Song, sung by the girls chorus, and the seniors; "Halls of Ivy," by Russell, sung by the male quartet, and "Battle Hymn of the Republic," an arrangement by Waring and sung by the mixed chorus.

Piano accompanist were Glenda Dell, Ouida Lanier, Karin Allison, and Jeanne Crews.

The 6th grade music festival, was held Friday night, May 18, under the direction of Miss Margaret Powell, of Pahokee; Mrs. Ruth Snider, of South Bay; and Miss Marian Najarian of Belle Glade.

There was a representative group of local citizens who turned out to hear approximately 200 6th graders perform, dressed in white shirts and blouses and dark skirts and trousers, along with the combined high school Glee Clubs of Pahokee and Belle Glade.

Miss Marian Najarian was Mistress of Ceremonies and gave the welcoming address for the very colorful presentation, of which there were two piano accompanists throughout the program.

Part of the program was as follows: "National Hymn," by Warren; "Song of Praise," by Hohman; and "Go Tell It on the Mountain," a Negro Spiritual, were all directed by Mrs. Snider. "Botany Bay," a traditional English Folk song, "Fiesta," a Mexican folk song, and "Mountain Stream," from the Tyrolean Alps, were directed by Miss Powell. Miss Najarian directed "Dark Waters," a Negro Spiritual; "A Hawaiian song," "Vacation," a Norwegian song; and "Pledge," a German folk song, along with others.

The program was closed with a patriotic favorite, "This Land Is My Country," by Scott. There were quite a variety of numbers, all enjoyed tremendously.

Sixth grade class room teachers and schools participation were: Belle Glade, Mrs. Katharine Davidson; Mr. Arthur Combs, and Mr. Renford Dean; Pahokee, Mrs. E. D. Elsie, and Mrs. Tommie Lee Dabbs; Lake Harbor, Mr. Williams; South Bay, Mrs. Emogene Scott; Ocoola, Mrs. Kyle Scott.

The B.G.H.S. Glee Club were guests of the First Baptist Church Sunday night, and gave another lovely performance. They sang "Dark Waters," "God of Our Fathers," a Waring arrangement; and "The Last Words of David," by Randall Thomas.

They will wear their club robes and sing at the Baccalaureate Service, this Sunday night. Their numbers will be "Omnipotence," by Franz Schubert, and "Battle Hymn of the Republic."

Local OES Observes Twelfth Birthday

The Belle Glade Chapter No. 197 of Order of Eastern Star celebrated its 12th birthday last Thursday night at the Benevolent Hall at the regular meeting with Mrs. Winnie Roberts worthy matron presiding. The club was organized in 1944.

At the business session the group voted to give \$10 to the cancer fund, and an announcement was made that Mrs. Jessie Barnes of Pahokee, grand instructor for district 18 would be honored guest here on June 7.

Refreshments of birthday cake and punch were served by the committee of Mrs. Pauline Boydston, Mrs. Dalton Harrison and Dr. and Mrs. Robert Allen.

Managers Meeting

Lee L. Smith, manager of the Belle Glade Employment Service office, will attend a meeting in Tallahassee during the first week in June with all Class I and II managers of the FSES.

PBAFB Commander Gets Washington Assignment Effective This Summer

Col. H. G. Thorne, Jr., 1907th Air Transport Wing Commander at Palm Beach Air Force Base, will be reassigned to Washington, D. C. this summer.

As announced by Maj. Gen. Brooke E. Allen, Colonel Thorne will be succeeded by Col. George W. Peterson, 1604th Air Transport Wing Commander at Kindley Air Force Base, Bermuda. General Allen commands the Military Air Transport Service's Continental Division which includes PBAFB.

Colonel Thorne will assume duties as Director of Personnel, Headquarters MAFS. He arrived at PBAFB on July 11, 1953, after attending the National War College. He is also a graduate of the Command and Staff School and the Air War College.

Colonel Thorne entered service in 1932. He began his flying career in 1937 and is now rated as a command pilot. He has served in Korea, the Philippine Islands, Australia, Japan and other south Pacific Islands. He is credited with 19 combat missions and 60 combat hours. He holds the Distinguished Flying Cross, Soldier's Medal, the Air Medal with an oak cluster and the Presidential Unit Citation.

Colonel Peterson, a former United Airlines pilot who re-turned to the Air Force in 1946, arrived in Bermuda in early 1953 after serving as MATS Commander. He has over 15,000 flying hours and more than 20 years of air transport experience. He is rated as a command pilot.

Continental Division Deputy Commander. He has over 15,000 flying hours and more than 20 years of air transport experience. He is rated as a command pilot.

IF YOU WANT TO GET OUT OF THE ORDINARY...

Get into an Olds!

THERE'S A POWERFUL DIFFERENCE BETWEEN AN OLDSMOBILE 88 AND THE OTHER LOWER-PRICE CARS!

IF YOU WANT A CAR THAT'S REALLY DIFFERENT... you want OLDSMOBILE! This budget-priced "88" not only has big-car size and prestige but it rides and handles like a big car. There's big-car power and performance, big-car style and beauty that make it a standout... anywhere!

POWER? This one packs a punch that whips you ahead of ordinary cars. You see, the Rocket Engine is a high torque,

9.25 to 1 compression power plant that's got what it takes in every driving situation! Better still, there's new Jetaway Hydra-Matic to deliver mighty "thrust" Engine power in a swift sweep of motion.

STYLE? You can stack this big beauty up against any of them! From double-duty "Intergrip" (two front bumpers in one) to the tapered flair of taillights, this Olds has looks that will last and last.

RIDE? We've put all of Oldsmobile's luxury and comfort in a sleek and solid body by Fisher. We've cradled the whole works on a rugged chassis. The result is the surest, softest "hug-the-road" ride you've ever tasted!

RESALE VALUE? You've got a real winner here, too! It's a fact that Oldsmobile is right up there with dollars to spare at trade-in time. Your investment holds when you go over to Olds.

And there's a pleasant difference in our way of doing business, too! Come in now! You'll wind up way ahead... in a dazzling new "88" Oldsmobile!

State Cattlemen Meet In Bradenton For Mid Year Session June 12

A three-day program of business and entertainment will feature the Florida Cattlemen's Association Mid-Year convention slated in Bradenton June 12-14.

That's the word from Clarence Harrison, Jr., of Palmetto, president of the host Manatee County Cattlemen's Association, and June Gunn of Kissimmee, secretary of the Florida Cattlemen's Association.

Entertainment part of the program, which is being handled by the local group, will begin on Tuesday with a special dinner supper for directors and others who check in for the Tuesday afternoon directors meeting at the Manatee River Hotel, convention headquarters.

On Wednesday afternoon, after the first session of the convention, a pasture tour to Harlee Farms — where pastures follow tomatoes and ditch irrigation is used for clover — is scheduled, and at the same time those who don't want to inspect pastures will be able to travel up the Manatee River by boat.

Wednesday evening's program includes a barbecue at the Manatee Agricultural Center at Palmetto, followed by a dance at the Manatee River Hotel.

Speakers have not yet been definitely announced, Gunn reported, but as usual they will include outstanding men who will talk on subjects of interest to cattlemen.

Reservations may be made directly with the hotel, or by writing Harper Hendrick, Manatee County Agent, Palmetto. For the first time in recent years, it is expected that all delegates will be able to find accommodations in the same hotel.

Buick Super 6-Door Sedan

When it purrs, you reign

YOU CAN hardly hear its whispered might—but man, you sure can feel it.

It's power almost without limit—power that humbles the hills, melts the miles, makes you monarch of all you survey.

For this is a new Buick—a '56 Buick—sparked by the most potent engine in Buick annals—a 322-cubic-inch V8 with a crackling high compression of 9.5 to 1.

But what makes you feel even more like boss-man of the highway is the great new advance in Variable Pitch Dynaflow.*

First time you tickle the gas pedal you'll know what we mean.

Now—smack in the top inch of gas pedal travel—right where you save gas every turn of the wheels—you get a swift, sure and supremely positive new getaway response in an instant.

For smooth and nimble performance—for sheer mastery in traffic—nothing like it ever was.

And that's just part of it. When you need a still greater flow of get-up-and-go for safety's sake, you merely switch the pitch and you zoom out of tight spots.

So come rule the roost in this '56 Buick.

Come drive a car with 127 gorgeous inches of wheelbase to give it regal room and a ride that's fit for a king.

Try out Buick's new steering—new center-grooved brakes—new direct-acting shock

absorbers with triple the former volume of jounce-cushioning oil.

Learn how it feels to boss a car that looks like royalty and acts the part to perfection.

We promise—you'll practically purr with delight at the wheel of this dazzler—especially when you discover how easily you can make it your own.

What do you say—shall we expect you today?

*New Advanced Variable Pitch Dynaflow is the only Dynaflow Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

SRD Slates Starting Dates On Two County Projects As May 27

The State Road Department today reported that work is scheduled to begin by May 27th on a \$365,741 road construction project on State Road 80 in

Palm Beach County.

A contract for this work was executed with C. T. Stockton, Inc., of Miami, who was the apparent low bidder when the project was let on April 17th. Work on this project is scheduled to take 175 working days for completion, and consists of 4-laning and construction of two parallel bridges, 135 feet long on State Road 80 between a point 490 feet east of Military Trail and the S.A.L.R.R. in West Palm Beach. Total length of the job is 2,097 miles.

The department also reported work will begin by May 27th on a \$30,568 Flagler Memorial Bridge project in Palm Beach County on State Road A-1-A.

A contract for this work was executed with George E. Bun-

nell, Inc., of Ojus, who was the apparent low bidder when the project was let on April 17th. Work on this project is scheduled to take 75 working days for completion and consists of removing two spans and one pier from the west end of the existing bridge, and constructing one new concrete pier and two new concrete spans.

21 Management Aids Available In Dept. Of Commerce Booklet

Consolidation of 21 management aids for small business into a single permanent volume which is now available to the public was announced today by Marion A. Leonard, Manager, Miami Field Office, U. S. Department of Commerce.

Some of the aids reproduced in the volume are: "Loan Sources in the Federal Government," "Sound Pricing Policy in Bidding on Government Contracts," "Sales Forecasting for Small Business," and "Materials Control for Small Plants."

The volume, Management Aids for Small Business - annual number 32 contains aids from number 32 through 52, and can be obtained from the Miami Field Office, 316 Post Office Building, Miami, for 55 cents.

The first 31 management aids were consolidated into annual number 1, which was published in January 1955.

The annual contains the re-produced Aids arranged according to subject matter, falling into three groups: Business Government Relations; Internal General Management; and External Sources of Help, Advice, and Guidance.

Markets Show Crop Supplies Lighter

The weekly market summary of Florida State Markets from L. H. Lewis, director is as follows:

Manager C. M. Todd at Pahokee said, "We expect to have corn and celery until about June 15. Both items are in good supply at present and we have a light volume of beans and radishes."

"Tomato volume on Ft. Pierce market is declining as weather has curtailed both volume and quality," Manager M. E. Williams reported. "However, there has been a strengthening in price on top grade and size. Approximately 128,242 crates checked through the gate for the weekly report period."

At Wuchula the cucumber harvest is rapidly nearing the end, but there are a lot of tomatoes to be harvested. M. V. Meekison there reports that tomatoes should last into early June if the weather permits.

Immokalee State Market is practically through. Watermelons and cantaloupes were available.

Peppers lead the volume at Pompano with eggplant second with some supplies of okra.

Manatee B. B. Hogan reported a total of 65,946 packages last week.

Howard Hill Will Receive Degree

Howard Edward Hill, Belle Glade, Fla., who will receive the degree of doctor of veterinary medicine is among the 588 students who will be awarded degrees at the spring quarter graduation exercises at the Alabama Polytechnic Institute on June 2, at 5:00 p. m. in Cliff Hare Stadium.

President Ralph B. Draughon assisted by Reginald Charles W. Edwards, will present the degrees.

Dr. Ben Hibban, president of Mississippi State College, will deliver the Commencement address.

Commencement Day festivities will begin at 11:00 a. m. when President and Mrs. Draughon entertain the graduating class, their parents and friends at a reception in Smith Hall.

Mr. Hill has been interning here with his brother-in-law, Dr. Clarence Kidder and will continue to be associated with him at the Everglades Animal Hospital.

Highway Patrol Will Deal Harshly With 30 Offenders

The Florida Highway Patrol today served notice that it will deal harshly with reckless drivers on the highways during the Memorial Day holiday Wednesday, May 30.

Patrol Comdr. H. N. Kirkman

be on the roads trying to guard the rights of "safe and sane" drivers, and arrest those who don't care "in an effort to hold the highway death march in the state."

"One thing lies in our favor this year," declared the director.

Memorial Day comes in mid-week, which means there will be only one day holiday for the most part.

"Thirteen people died in the 72 hour period last year, one much longer than this year's, but we still can see no reason

for anyone being killed on the road and we intend to do our share in preventing it," said he.

In 1955, Memorial Day holiday started at 8 p. m. Friday and went through Monday mid-

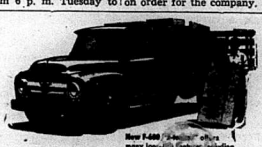

night. This year it will run only from 6 p. m. Tuesday to

midnight Wednesday, a 30 hour period.
